

## 13/97 (Rocker (door sill) panel harness)

| On/Off  | Color       | Remarks           |
|---|-------------|-------------------|
| <b>11/5:3 Fuse</b><br>(via connector C1:29<br><b>Dashboard-Rocker panel (door sill) harness</b> ) | <b>GN-R</b> | <b>Only EU/OS</b> |
| 10/32:1 Door edge light driver side rear<br>(via connector C150:3 at B-post driver side)          | GN-R        | Only EU/OS        |
| 10/22:4 Dome light (interior lighting)<br>(via connector C21:2 B-post driver side)                | GN-R        | Only EU/OS        |
| 10/24:1 Trunk (boot) lighting   | GN-R        | Only 4-door EU/OS |
| 10/25:1 Cargo area dome light<br>(via connector C98:1 at power antenna)                           | GN-R        | Only 5-door EU/OS |
| 6/34:1 Power antenna<br>(via connector C98:1 at power antenna)                                    | GN-R        | Only 4-door EU/OS |

## 13/98 (Engine coolant fan (FC) harness)

| On/Off                              | Color     | Remarks           |
|-------------------------------------|-----------|-------------------|
| <b>1/1 Battery</b>                  | <b>GR</b> | <b>Not D24TIC</b> |
| 2/11:A1 Engine coolant fan FC relay | R         | Not D24TIC        |

## 13/102 (Dashboard harness)

| On/Off   | Color     | Remarks            |
|--|-----------|--------------------|
| <b>31/10 Ground point right A-post</b>                               | <b>SB</b> | <b>Not USA/CDN</b> |
| 16/2:A1, A14 Amplifier   | SB        | Not USA/CDN        |
| 16/15:3 Compact Disc changer<br>(via connector C167:2 at CD changer) | SB        | Not USA/CDN        |
| 16/1:A6, A14 Radio (via connector D12:10 at radio)                   | SB        | Not USA/CDN        |

## 13/103 (Rocker (door sill) panel harness)

| On/Off  | Color     | Remarks            |
|---|-----------|--------------------|
| <b>3/7:5 Foglight switch (+)</b><br>(via connector C1:15<br><b>Dashboard-Rocker panel (door sill) harness</b> ) | <b>GR</b> | <b>Only 4-door</b> |
| 10/46:6 Right rear fog light  | GR        | Only 4-door        |
| 10/53:6 Left rear fog light   | GR        | Only 4-door        |
| D5:2 Towing hitch connector   | VO-W      | Only 4-door        |

## 13/105 (Left wheelhousing harness)

| On/Off   | Color     | Remarks     |
|--|-----------|-------------|
| <b>31/2 Ground point left front fender (wing)</b>    | <b>SB</b> |             |
| D4:4 connector alarm                                 | SB        |             |
| 10/9:3 Left side marker light and turn signal, front | SB        |             |
| 10/1:3, 4 Left front light                           | SB        |             |
| 10/15:2 Left side flasher light                      | SB        | Not USA/CDN |

## 13/106 (Right wheelhousing harness)

| On/Off   | Color     | Remarks |
|--|-----------|---------|
| <b>31/1 Ground point right front fender (wing)</b> | <b>SB</b> |         |
| 10/2:3, 4 Right front light                        | SB        |         |
| 10/10:3 Right parking light and front turn signal  | SB        |         |
